

Important update on Covid-19 (Coronavirus)

The well being of everyone within our community is a top priority for us at Stoke Green Baptist Church. We have been monitoring government advice and guidance closely and it is therefore with great sadness that we have decided to close all activities and services until further notice.

We will endeavour to continue serving our fellowship and wider community in whatever way we can, and as events unfold in the coming days and weeks we will post updates on our website and also on our Facebook page.

No further notice sheets will be produced until after the restrictions have been lifted.

Our prayers continue to be with everyone during this difficult time, not only those in our community but also nationally and globally.

“May the peace of God, which transcends all understanding, guard your hearts and your minds in Christ Jesus” – Philippians 4:7
